

SWINE FLU

Children aged over 6 months and under 5 years are now being offered the Swine Flu Vaccination.

We will be holding a clinic on Saturday 23rd January 2010 from 9am to 12.30pm at the surgery.

If your child is aged over 6 months and under 5 years and you have not received an invitation and you wish them to have the vaccine then please bring them along to the clinic.

Thank you
